

2003 Space Parts Working Group

April 8–9, 2003

Hilton Torrance/South Bay

21333 Hawthorne Blvd., Torrance, CA 90503

This joint government-industry working group, sponsored by The Aerospace Corporation and the Air Force Space and Missile Systems Center, is an unclassified, international forum for disseminating information to the aerospace industry and resolving problems with high-reliability electronic piece parts for space applications.

The meeting will include presentations from suppliers, prime system manufacturers and government agencies, including the Air Force, NASA, Defense Threat Reduction Agency, Air Force Research labs, the Naval Weapons Center and the Army.

Registration fee is \$60.00

You can register online at
